## *Invitation to the 8<sup>th</sup> Asian Shipbuilding Experts' Forum*

Dear Sir/Madam,

October 2, 2014

It is a pleasure for Korea Offshore & Shipbuilding Association (KOSHIPA) to host the 8<sup>th</sup> Asian Shipbuilding Experts' Forum (ASEF) in Jeju island, Korea.

Since the first ASEF in 2007 held in Japan, Asian shipbuilding experts have enhanced mutual understanding through discussions on common issues and information exchanges.

We, therefore, believe the ASEF will build up the cooperative foundation among shipbuilding experts in Asian countries and enhance the importance of common voice to global maritime industries. And also, your presence at the forum will further contribute development of shipbuilding industries in the area.

Experts involved in Asian shipbuilding are cordially invited to attend the 8<sup>th</sup> ASEF on 27<sup>th</sup> ~28<sup>th</sup> November 2014, in Jeju island. Appreciating in advance your kind cooperation and looking forward to seeing you in Jeju.

---

Oi-Hyun Kim
